SENIOR RETREAT

Activities began for the Seniors this year with their annual retreat, held October 2nd, 3rd, and 4th, at Blessed Raphaela Mary Retreat House in Haverford. The Retreat was conducted by Father John Cavanaugh.

RING DAY

The long-awaited day arrived on Thursday, October 12, 1972. The Juniors and Seniors attended Mass celebrated by Fr. Edward Quinn who blessed and distributed the rings to the Juniors. Following Mass, there was the traditional toast by the Seniors and many congratulations.

To add a little more suspense, two steps preceded the big day this year. The Seniors prepared name tags, here displayed by Maureen and Lisa, and name hats came a few weeks later. Cheryl, Mary, and Lizanne wore their hats until ...

FRESHMAN DAY

On Thursday October 19, 1972, Ancilla was attacked by snow and a brigade of Jolly Green Giants. This marked the beginning of a very unique Freshman Day.

HALLOWEEN

On October 31, 1972 two main events took place at Ancilla Domini: our annual window painting contest and the fierce beauty competition of Hobbles Hall. Although the day held more than its share of suspense, it was thoroughly enjoyed by all.

INTRAMURALS

Basketball intramurals provided much excitement throughout November and early December. Spirit was high, talent was good, and beyond doubt, the cheerleading was unique. A red ribbon decorated the cup at the conclusion of the games marking a Junior victory.

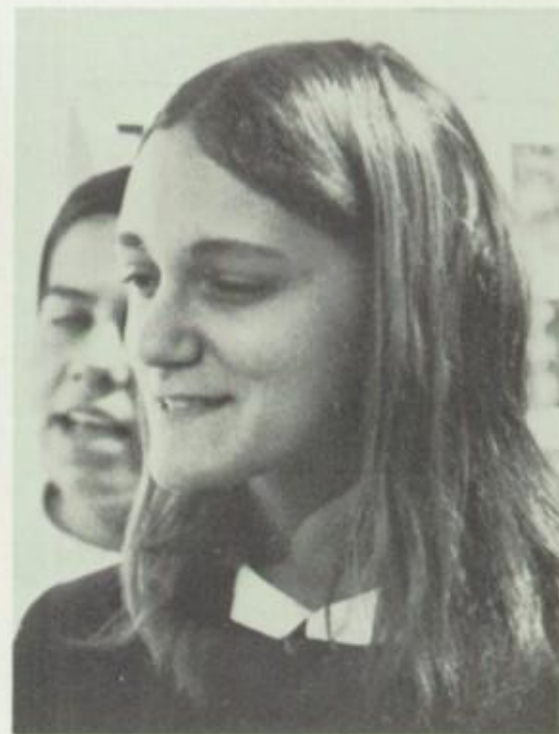

JUNIOR PROM

December 1, 1972 marked the night of the Junior Prom at the Park Drive Manor. The Juniors chose "Imagine" for their theme. Music was provided by Carnage and photos were by Color Line Studio.

VARSITY CHEERLEADING

JUNIOR VARSITY CHEERLEADING

January brought on the basketball season with its share of exciting games. Spirit was high this year, aroused and sustained by an excellent cheerleading squad. New cheers, plenty of practice, and a novel pom-pom routine helped make 1973 a successful season.

VARSITY BASKETBALL

JUNIOR VARSITY BASKETBALL

Joann Turner (Manager and Scorekeeper) and Patti Haigh (Time-keeper) were kept busy this year as they followed an exciting season for both Varsity and J. V. teams.

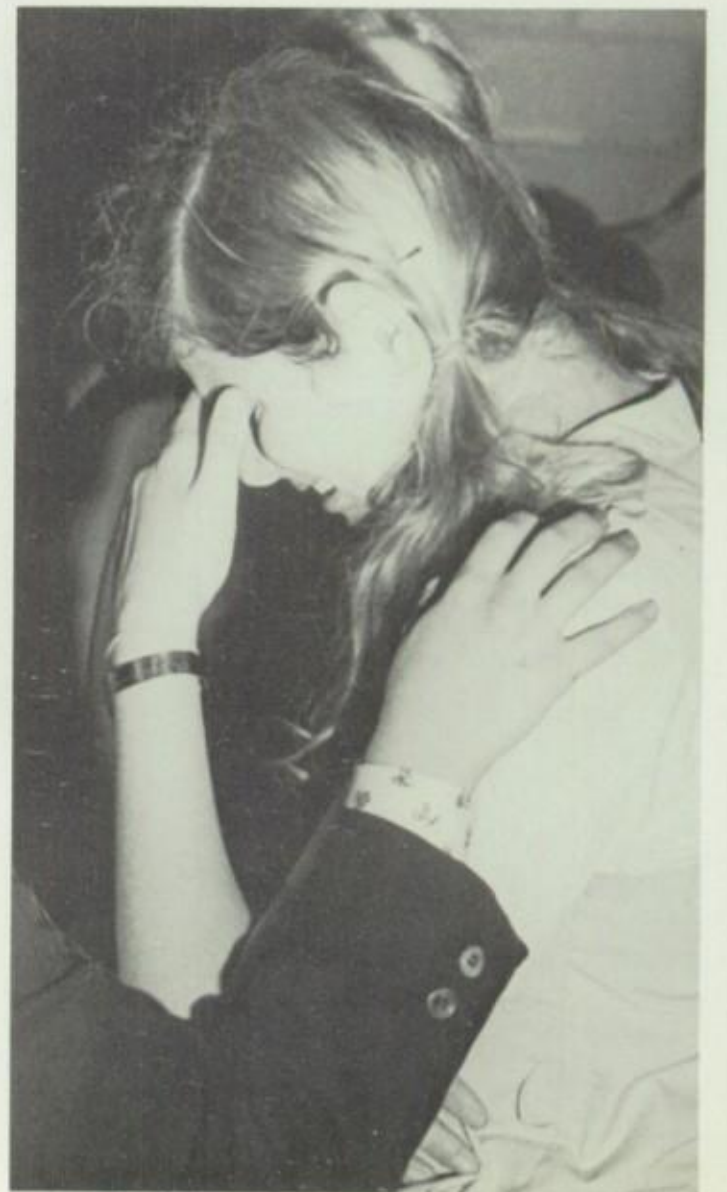

FLOWER DAY

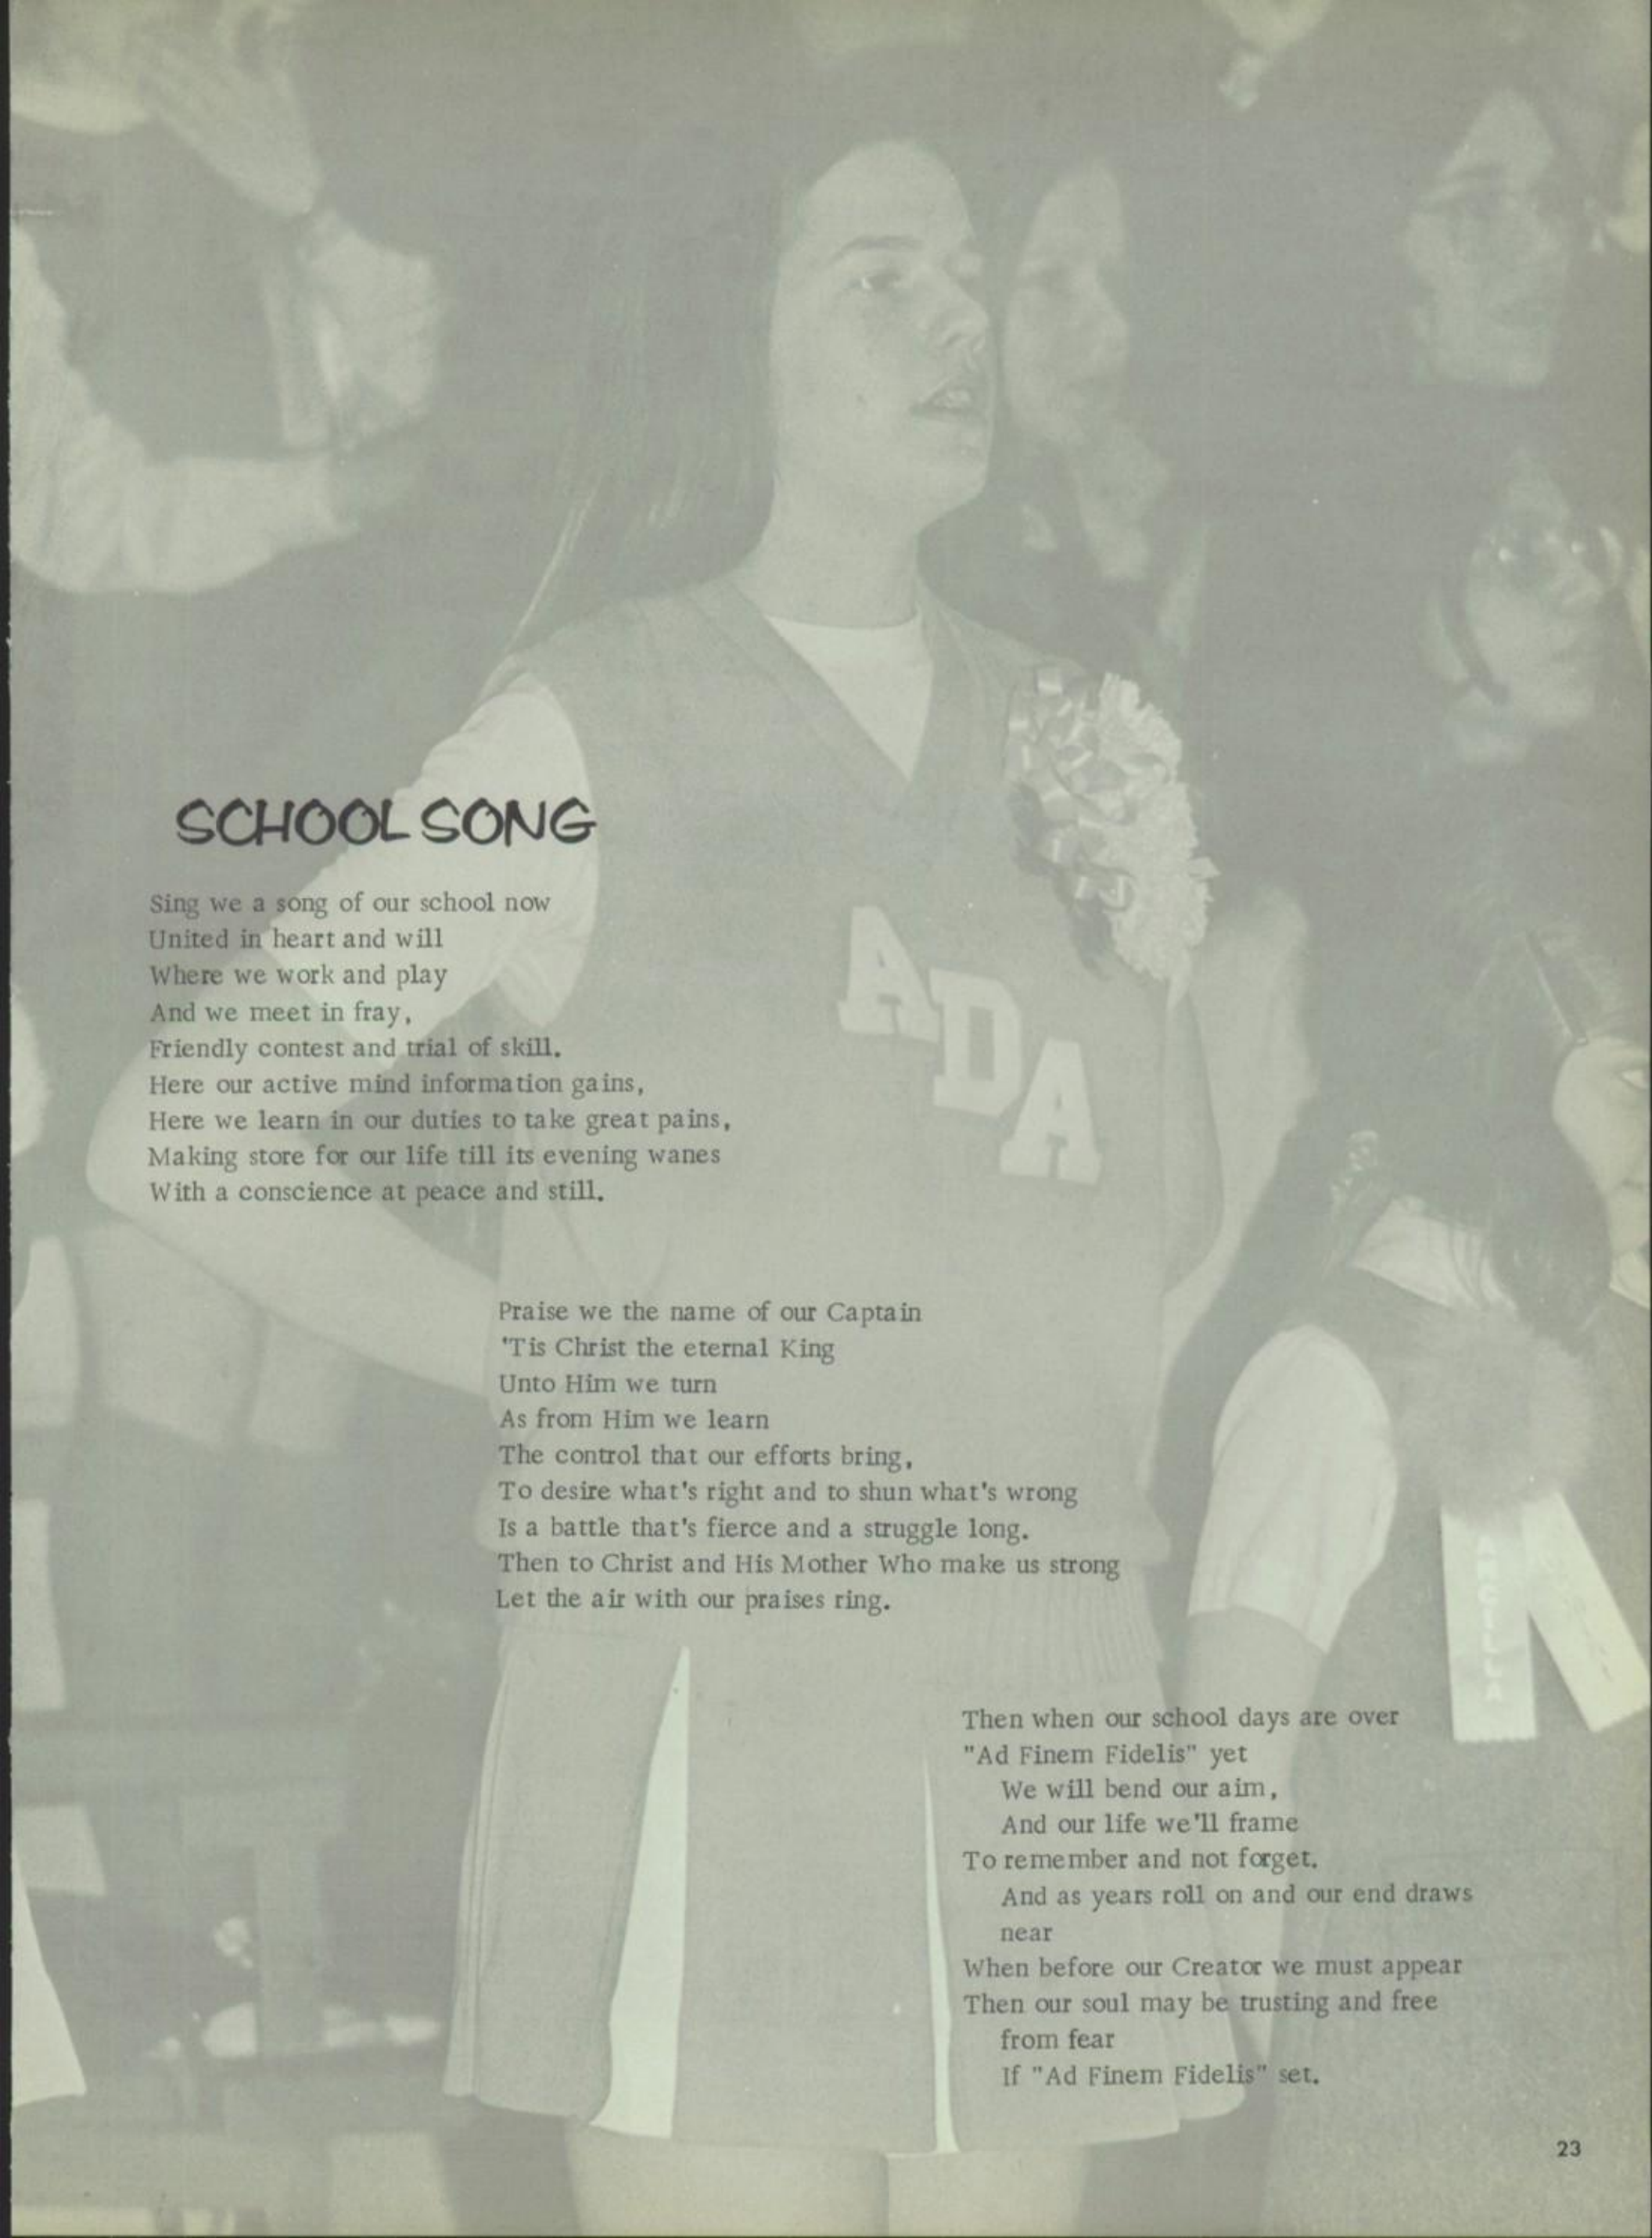

MARCH 2, 1973

This day held a little bit of everything for almost everyone. A storm caused radio interference and an amusing presentation by the Juniors. Flowers were distributed and an exciting basketball game followed ... still hard to believe we didn't quite make it.

SCHOOL SONG

Sing we a song of our school now
United in heart and will
Where we work and play
And we meet in fray,
Friendly contest and trial of skill.
Here our active mind information gains,
Here we learn in our duties to take great pains,
Making store for our life till its evening wanes
With a conscience at peace and still.

Praise we the name of our Captain
'Tis Christ the eternal King
Unto Him we turn
As from Him we learn
The control that our efforts bring,
To desire what's right and to shun what's wrong
Is a battle that's fierce and a struggle long.
Then to Christ and His Mother Who make us strong
Let the air with our praises ring.

Then when our school days are over
"Ad Finem Fidelis" yet
We will bend our aim,
And our life we'll frame
To remember and not forget,
And as years roll on and our end draws near
When before our Creator we must appear
Then our soul may be trusting and free
from fear
If "Ad Finem Fidelis" set.

SCHOOL FEAST

Friday, March 23, marked the celebration of the school feast. Fr. McKelvey began the day with Mass in the chapel for all the students. This was followed by an entertaining talent show in the auditorium.

VOLLEYBALL INTRAMURALS

These games took place in March. The Juniors won the trophy, although the Seniors "unbelievably" defeated them in one set.

SENIOR PROM

The Senior Class presented "Pieces of April" at the Inn of the Four Falls on April 27, 1973. Donna Basara and Patti Haigh were the Junior Representatives, who announced the Prom Queen, Barbara Hanssens and her two attendants, Trisha Clark and Kathy Bridgeford.

VALEDICTORY

In these modern times of unrest, it is a difficult task to find true happiness and peace during our lifetime. Peoples' misconceptions of priorities have caused them to become bitter, always seeking but failing to find any real purpose for their existence. Hopefully, the past four years at Ancilla Domini Academy have instilled in us some insight into our real needs and the needs of future societies.

Our formal education provided the concrete means by which we gained knowledge of ourselves, of life. We complained about studying useless facts, while unknowingly we were learning to use our minds, to become women, capable of thinking and building friendships. Once we leave we may soon forget much of the information regarding history or science, but the wisdom we have acquired through human experiences at Ancilla will strongly affect the persons we become.

We have spent four memorable years together; times of joy, times of frustration. There have been many stumblings along the way, but with the aid of faculty and friends, we have gained through our mistakes. We have encountered many differences, many times of suffering, but all these experiences have added to our education. We have been taught understanding, sensitivity, love. We graduate today, young women, on the road to peace, having already begun to sort out our feelings.

For many of us this parting will be the beginning of another circle of experience. We leave one era of our development, sure of what we have lived; but we face a new world full of unconquered insecurities and hidden happiness. We separate today in order to satisfy our individual needs to be happy; but each one of us shall always carry a special segment of truth within us - a beautiful truth gained through four years of learning at Ancilla Domini Academy.

1973

"So the years spin by and now the boy is twenty
Though his dreams have lost some grandeur coming true
There'll be new dreams maybe better dreams and plenty
Before the last revolving year is through.

And the seasons they go round and round
And the painted ponies go up and down
We're captive on a carousel of time
We can't return we can only look behind
From where we came
And go round and round and round
In the circle game."

Dear Girls,

Your yearbook collects the series of events - the same for all of you - which filled your days at Ancilla Domini Academy. It reminds you of the education which has been basically the same for each member of the class.

And yet the theme of this composite is not sameness, but uniqueness. This book stands as a testament to the reality of a unique you: then let your lives testify to the reality of the uniquely grace - filled touch of God which is your existence.

Live it as it is. And may He bless you.

SISTER KATHLEEN JOY COOPER
Principal

SISTER GLORIA PETRONE
Moderator - Class of 1973

We sat for a long time trying to write this tribute. However, we were unable to come up with the right words to express our feelings. Many words came to mind, but they all seemed so inadequate. So, we decided to simply say that we, the Class of 1973, wish to express our sincere gratitude for all you have done for us and our warmest affection for you. Thank you, Sister.

YOU WILL UNDERSTAND NOW

" ... If you tame me,
it will be as if the sun
came to shine on my life. I
shall know the sound of
a step that will be
different from all the
others ...

... you see the grain-fields
down yonder? I do not
eat bread. Wheat is of no
use to me. And that is sad.
But you have hair that is the
color of GOLD. Think how
wonderful that will be when you have
tamed me! The grain, which is also GOLDEN,
will bring back the thought of you. And I
shall love to listen to the wind in the
wheat ..."

So the little prince tamed the fox. And when
the hour of departure drew near -

"Ah," said the fox, "I shall cry."

... "Then it has done you no good at all!"

"It has done me good," said the fox, "because of the
color of the wheat fields." And then he added:

"Go and look again at the roses.
You will understand now that yours is
UNIQUE
in all the world ..."
